

ALX Resources Corp. Closes Final Tranche of Private Placement

NOT FOR DISTRIBUTION TO U.S. NEWSWIRE SERVICES OR FOR RELEASE, PUBLICATION, DISTRIBUTION OR DISSEMINATION DIRECTLY, OR INDIRECTLY, IN WHOLE OR IN PART, IN OR INTO THE UNITED STATES.

Vancouver, BC, Canada, November 21, 2022 – **ALX Resources Corp.** (“**ALX**” or the “**Company**”) (TSXV: AL; FSE: 6LLN; OTC: ALXEF) is pleased to announce the closing today of the third and final tranche of its previously announced non-brokered private placement (see ALX news releases dated ([October 24, 2022](#), [November 3, 2022](#), and [November 17, 2022](#)) consisting of 2,200,000 flow-through units (the “FT Units”) of the Company for gross proceeds of \$110,000 (the “Third Tranche”). A total of 20,000,000 FT units and 6,125,000 non flow-through units were sold in three tranches for gross proceeds to the Company of \$1,245,000 (the “Offering”).

The FT Units in the Third Tranche were sold at a price of \$0.05 per FT Unit consisting of one flow-through common share and one-half of one non flow-through common share purchase warrant. One whole common share purchase warrant from the FT Units entitles the holder to purchase one non flow-through common share of the Company at a price of \$0.075 for a period expiring 36 months from closing, that date being November 21, 2025.

Finder’s fees for Third Tranche of the Offering totaled \$6,600 cash and 132,000 finder’s warrants paid to Red Cloud Securities Inc. The finder’s warrants are exercisable at \$0.05 (the price of each FT Unit placed) for one common share of the Company for a period of three years following closing of the Third Tranche, and expiring November 21, 2025. Finder’s fees for the Offering totaled \$56,850 cash and 1,137,000 finder’s warrants.

All securities issued in the Third Tranche will be subject to a resale restriction expiring March 22, 2023, in accordance with applicable securities regulations. The proceeds from the sale of the FT Units will be used for exploration programs on the Company’s critical minerals properties in Quebec, Saskatchewan, Ontario and Nova Scotia.

About ALX

FORWARD-LOOKING STATEMENTS

Statements in this document which are not purely historical are forward-looking statements, including any statements regarding beliefs, plans, expectations or intentions regarding the future. Forward-looking statements in this news release include: the anticipated use of proceeds of the Third Tranche of the Offering. It is important to note that the Company's actual business outcomes could differ materially from those in such forward-looking statements. Risks and uncertainties for the Company include that ALX may not be able to fully finance exploration on our exploration projects, including drilling; our initial findings at our exploration projects may prove to be unworthy of further expenditures; commodity prices may not support further exploration expenditures; exploration programs may be delayed or changed due to any delays experienced in consultation and engagement activities with First Nations and Metis communities and the results of such consultations; and economic, competitive, governmental, societal, public health, environmental and technological factors may affect the Company's operations, markets, products and share price. Even if we explore and develop our projects, and even if uranium, lithium, nickel, copper, gold or other metals or minerals are discovered in quantity, ALX's projects may not be commercially viable. Additional risk factors are discussed in the Company's Management Discussion and Analysis for the Six Months Ended June 30, 2022, which is available under the Company's SEDAR profile at www.sedar.com. Except as required by law, we will not update these forward-looking statement risk factors.
